

Fishin' in the Dark / Down in the Boondocks

Home Free

I feel no shame, I'm proud of where I came from
I was born and raised
In the Boondocks. Lazy yellow moon comin' up tonight,
shinin' thru the trees,
The crickets are singin' and the lightning bugs
are floatin on the breeze
Baby get ready.....Across the field where the creek turns back
by the ole stone road
I'm gonna take you to a special place
that nobody knows
Baby get ready....You, OoooYou and me going fishing in the dark,
Lying on our backs and counting the stars
Where the cool grass grows.
{I feel no shame down in the Boondocks}
Down by the river in the full moon light,
We'll be fallin' in love in the middle of the night
Just movin' slow... movin' slow...movin' slow.
Stayin' the whole night through,(stayin' the whole night through)
feels so good to be with you...I feel no shame, I'm proud of where I came from
I was born and raised
In the Boondocks.
One thing I know, no matter where I go,
I keep my heart and soul
In the Boondocks.
It's where I learned about livin'
It's where I learned about love
It's where I learned about workin hard
And having a little was just enough
It's where I learned about Jesus
Knowin' where i stand (where I stand)
You can take it or leave it
This is me, This is who I am
(Who I am now)You and me going fishing in the dark,
Lying on our backs and counting the stars
Where the cool grass grows.
{born and raised in the Boondocks}
Down by the river in the full moon light,
We'll be fallin' in love in the middle of the night
Just movin' slow... movin' slow...movin' slow.I feel no shame, I'm proud of where I came from

I was born and raised
In the Boondocks.
(born and raised in the Boondocks)One thing I know, no matter where I go,
I keep my heart and soul
In the Boondocks.Stayin the whole night through
Feels so good to be with youYou get a line I'll get a pole
We'll go fishin' in the crawfish hole
Five card poker on Saturday night
Church on Sunday morning.Down in the boondocks. Say a little prayer for me.Heart and soul in the boondocks.
