Nothing

Gary Jules

There`s no fortune to be made here,
It`s just a town like any other town.
Sure there must be good things left to say
Can`t think of one, so...
I won`t say,nothing...Wears a pretty face and armor
She got shine at the surface and coal below,
nothing...
Please don`t tell me,
I already know,
...nothingLiving like a mobile spinnig off its line
Fed up of always sad about the wheels-within-wheels
Tension rising higher, it`s coming through my window
And all I seem to feel...is nothing...
Please don`t tell me, I already know
nothing...
Oh, it`s getting better now
But time will showNothing - never goes away
Nothing - never goes awayTonight I saw her again
A blood red luna (looner?) sitting on the bridge
It could have been a sign but I don`t believe in signs,
I... don`t believe in...Nothing...
Please don`t tell me, I already know
...nothingOh, it`s getting easier
But time will show
...nothingShe`s got a brand new set of reasons
Why she can`t let it goNothingPlease, don`t tell me, I already know,...nothing
