The Cyborg Slayers

Dethklok

Punch It
Accelerate
Smoke Screens
Infiltrate
Kill The Lights
Place The Bait
Wait For Signals
Detonate
Go
Move
Go
Now
Conflagrate
Seal The Bridge
Take The Supports Away
Tear it Down
Leave No Trace
We'll Move Like Ghosts This Day
Orders In
Moving Out
Secret Quarters
Ocean Bound
Arctic Ice
Frozen Home
UFO
Cyborg Chrome
Go
Move
Go
Now
Conflagrate
Seal The Bridge
Take The Supports Away
Tear It Down
Leave No Trace
We'll Move Like Ghosts This Day
Sensors Heat
Infrared Fleet
Mechanized Oppenents

There Is No Retreat
Crush
Seize
Burn
Kill
Leave No One Alive
Let No One Survive

Mortification
We Annihilate
Electro-Degration
We're Gonna Mutilate
Leave No One Alive
Let No One Survive
Get Moving Now
Alright
Divide and Collide
GO
Divide and Collide
Cross Us Your Denied
We'll Provide Your Insides
To Your Robotic Eyes
We'll Blow Up Your Home
Your Big Ships Made Of Chrome
Divide Collide
Looks Like Your Battery Died
Conflagrate
Seal The Bridge
Take The Supports Away
Tear It down
Leave No Trace
We'll Move Like Ghosts This Day
Sensors Heat
Infrared Fleet
Mechanized Oppenents
There Is No Retreat
Crush
Seize
Burn
Kill
Leave No One Alive
Let No One Survive
Mortification
We Annihilate
Electo-Degration

We're Gonna Mutilate
Leave No One Alive
Let No One Survive
Mortification
We Annihilate
Electro-Degration
We're Gonna Mutilate
Leave No One Alive
Let No One Survive
