

The Cyborg Slayers

Dethklok

Punch It
Accelerate
Smoke Screens
Infiltrate
Kill The Lights
Place The Bait
Wait For Signals
Detonate
Go
Move
Go
Now
Conflagrate
Seal The Bridge
Take The Supports Away
Tear it Down
Leave No Trace
We'll Move Like Ghosts This Day
Orders In
Moving Out
Secret Quarters
Ocean Bound
Arctic Ice
Frozen Home
UFO
Cyborg Chrome
Go
Move
Go
Now
Conflagrate
Seal The Bridge
Take The Supports Away
Tear It Down
Leave No Trace
We'll Move Like Ghosts This Day
Sensors Heat
Infrared Fleet
Mechanized Oppenents

There Is No Retreat

Crush

Seize

Burn

Kill

Leave No One Alive

Let No One Survive

Mortification

We Annihilate

Electro-Degration

We're Gonna Mutilate

Leave No One Alive

Let No One Survive

Get Moving Now

Alright

Divide and Collide

GO

Divide and Collide

Cross Us Your Denied

We'll Provide Your Insides

To Your Robotic Eyes

We'll Blow Up Your Home

Your Big Ships Made Of Chrome

Divide Collide

Looks Like Your Battery Died

Conflagrate

Seal The Bridge

Take The Supports Away

Tear It down

Leave No Trace

We'll Move Like Ghosts This Day

Sensors Heat

Infrared Fleet

Mechanized Oppenents

There Is No Retreat

Crush

Seize

Burn

Kill

Leave No One Alive

Let No One Survive

Mortification

We Annihilate

Electo-Degration

We're Gonna Mutilate
Leave No One Alive
Let No One Survive
Mortification
We Annihilate
Electro-Degration
We're Gonna Mutilate
Leave No One Alive
Let No One Survive
