

# Immortally Insane

## Pantera

Deathlike silence  
Red clouds shake  
The race that walls imortality  
The undying battle of extinction  
Who would believe in sanctuary  
HUH, in sanctuary Weapons of lead are post historic  
Life is yeilded up to sour ground  
A desert shell is designated  
A warning to you both man and beast Destroying, destroying  
Foundation, foundation  
I'm going, i'm going  
Forever  
Imortally insane  
Imortally insane  
Imortally insane  
Imortally insane Eden hardly a tranquill place  
The prophecy learns its hateful face  
The warheads like lightning strike again and again  
separating the land from the wolf and man HUH, No sanctuary Suvivors will rise from strength and brain  
The skulls of rivals lay in rows on the sand  
The seeds of breeding swallow the waste  
Creating more for the next war Destroying, destroying  
Foundation, foundation  
I'm going, i'm going  
Forever  
Imortally insane  
Imortally insane  
Imortally insane  
Imortally insane (SOLO) Imortally insane  
Imortally insane  
Imortally insane  
Imortally insane Imortally insane  
Imortally insane Insane
