

White Heat

Madonna

A copper.
How do ya like that boys, a copper.
And we went for it, I went for it
Treated him like a kid brother
And I was gonna split fifty-fifty with a copper.
They were there waitin' to pin a medal on him
(Come on get up, get your hands up!)

Yeah, that's it, a nice gold medal for the copper
Only maybe he's gonna get it sooner than he thinks! Get up stand tall
Put your back up against the wall
'Cause my love is dangerous
This is a bust Get up stand tall
Put your back up against the wall
'Cause my love is dangerous
This is a bust You think you can have my love for free
Well I've got news for you
That's not the way it's gonna be
So don't come hangin' round my door
If you're not ready to give
You're not gonna get much more
I don't want to live out your fantasy
Love's not that easy, this time you're gonna
Gonna have to play my way
Come on make my day Get up stand tall
Put your back up against the wall
'Cause my love is dangerous
This is a bust Get up stand tall
Put your back up against the wall
'Cause my love is dangerous
This is a bust Can you feel the rhythm of my mind
Boy, I've got so much to give
But I don't want to waste my time
I can't let my heart put on a show
'Til you surrender baby
You've got to let it go
I don't want to live out your fantasy
Love's not that easy, this time you're gonna
Gonna have to play my way
Come on make my day Get up stand tall

Put your back up against the wall
'Cause my love is dangerous
This is a bustGet up stand tall
Put your back up against the wall
'Cause my love is dangerous
This is a bustDrop your weapons, you'd better come clean
I've got you covered, I'll catch you
When you fall to me
I'm not gonna hurt you, 'cause I'm not that kind
We're not goin' nowhere 'til you have a change of mind(You haven't got a chance, come out with your hands
up)
Come out with your hands up, the man says
How do ya like that, 'ma?
Here's my answer, you dirtyI don't want to live out your fantasy
Love's not that easy, this time you're gonna
Gonna have to play my way
Come on make my dayGet up stand tall
Put your back up against the wall
'Cause my love is dangerous
This is a bustGet up stand tall
Put your back up against the wall
'Cause my love is dangerous
This is a bust(Get up, stand tall)
Come on baby make my day
(Cause my love is dangerous)
Gonna have to play my way (This is a bust)(Get up, stand tall)
Put your back up against the wall
(Cause my love is dangerous)
This is a bustGet up, get up, get up, get up (Stand tall)
(Cause my love is dangerous)
This is a bustI'm so good for you, baby here I come (Get up, stand tall)
I'm gonna get to you before the day is done
(Cause my love is dangerous)
This is a bust(Get up, stand tall)
Come on baby make my day
(Cause my love is dangerous)
Gonna have to play my way (This is a bust)
