Nas Is Coming

Nas

Motherfuckin' Dre, ahh
Whassup my nigga? Sup NaSs?
Chillin' God
Niggaz is up in here hittin' some of this chronic, nigga
Yeah and this chocolate over here
They mixed this shit up
Nigga, hit some of this shit, nigga
Yeah, get that
I'm tired of these niggaz, niggaz stealin' beats
And niggaz is stealin', your whole techniques and shit
Niggaz wanna take everything from a nigga man
Yeah, yeah, no NaS, it's like this man
(Nas is coming)
Niggaz can't do it like I do it, d'yaknahmsayin'?
Just like niggaz can't do what you do
(Nas is coming)
Right, right
You know, can't nobody fuck with this
(Nas is coming)
You know all these niggaz out here just
(Nas is coming)
Talkin' this East coast, West coast bullshit
Niggaz need to kill that shit
(Nas is coming)
And make some money, y'know?
Word
(Nas is coming)
Fuck it
What is it, what is it God?
(Nas is coming)
Let's get together, make some fuckin' music
Right, that's what I'm sayin', that's what I'm sayin'
And get paid and just let that be it
(Nas is coming)
All these niggaz talkin' all this bullshit
(Nas is coming)
Let's sit back and watch what happens
(Nas is coming)
The Golden Child chop that ass up, you was holdin' out

Let the streets be the court and corners hold the trial
Fatal not fictitious
I rock the cable eighty-six shit, foreign cars young with crazy bitches
Man smoke makes me able to quote
Solicitin', ill editions of that Murder I wrote
A provocative plan, can bring a knot to my hand
As the pyramids that stand on the top of the sand
And in the heat of the moment, like Farrakhan said, we need atonement
Bulletproof glass, S classes, chrome kitted up
Calicones lit it up
I didn't get touched checking my nuts, I stood up and lit a Dutch
Clutchin' gats quick to bust
But knowin' how these niggaz tattle
I sneak move get the drop, one shot, without the gun battle
So when you run the lead travel
I come through it's taboo
Ninety-six ways made to clap you
Nas is coming, Nas is coming
Nas is coming
(Nasty Nas is coming)
Nas is coming
Nas is coming, Nas is coming
Nas is coming
(Nasty Nas is coming)
Nas is coming
In the black limo, Jack Daniels through the cracked window
I spot the fake, red dot his face, like a Hindu
Snatched the symbol, tied his hands too
Make examples, substantial amounts you owe, to the fam
Crew, Firm affliation, paper chasin'
Chips glossy, rich Pablo Escabano
Sophisticado, Blazin' hollows like Saddles
Rap apostle, nacho cheese, I'm Castro
Compared to these niggaz who swear to be the real
But impostors to Hoffa, Nas plague kills
Countin' bills to send to all my jail niggaz who fell
From New York to L.A., Q.B. to C.P.T. for G.P.
A hundred G cars, Garcia Vegas cigars
Kani shit, mad jiggy
The clout, murder material serial scratched out
My name's passed out like it's somethin' venereal
But back in stereo
Nas is coming, Nas is coming
Nas is coming
(Nasty Nas is coming)

Nas is coming
Nas is coming, Nas is coming
Nas is coming
(Nasty Nas is coming)
Nas is coming
From childbirth to hearses, flow like the Nile cover surface
I bit the fruit from the Serpent
Apocalyptic, get bent, stay splifted
Control the rap game, you got it twisted
Dr. Dre way the 'Bridge say, shake dice and kiss it
Sip Crist', push the six with the biscuit
Jeep full of chickens, pull up beside, have a listen y'all, Nas y'all
Fly gangsta, wavy hair, teeth chipped in
My shit bump, in the courtroom drunk, links truck
Rocky bracelet,Cognac kernel never chase it
Rap hero, black DeNiro
Federal Bureau, tapped my line and got zero
Rap pro, diamond roll, hustlin' low
Profile, white gold style, rakin' bloody dough by the pile
Shot down, still alive he strugglin' for the phone
Fo' fo' blow him, when homicide comes, these three words are sung
Nas is coming, Nas is coming
Nas is coming
(Nasty Nas is coming)
Nas is coming
Nas is coming, Nas is coming
Nas is coming
(Nasty Nas is coming)
Nas is coming
Nas is coming, Nas is coming
Nas is coming
(Nasty Nas is coming)
Nas is coming
Nas is coming, Nas is coming
Nas is coming
(Nasty Nas is coming)
Nas is coming
Check this out
It's Nasty Nas and Dr. Dre
East meets West
That's how we makin' it happen
That's how it goes down for the nine-six
Aiyyo, Nas, let's get this money
Let's get paid
Sit back and watch all these motherfuckin' clowns out here

Riffin' and beefin' about this bullshit
Yo, heh
While they doin' all that
We just gon' kickback with these honies, this Cristal
Hah, and party to the year 2 G
(Nas is coming)
Hehehe, that's right, that's right
(Nas is coming, Nas is coming)
Yeah, Nasty Nas, Dr. Dre
(Nas is coming)
Makin it happen
