Love How It Hurts

Scouting For Girls

I've been waiting
All my life
For someone like you to come mess with my mind
Someone crazy
Someone who
Someone who loved me the way I loved you
I keep searching
And what's worse
Now that you're gone, all that's left is the hurt
Three little words, it's all that I've got
Three little words, like it or not
Tell me you notice
Tell me you heard
For you I would run to the ends of the Earth
I couldn't keep you
But I'll keep my word
It's the most beautiful pain in the world
I love how it hurts
I've been trying since you left
Trying to fix all the bits that you wrecked
I'm just waiting 'til it mends
Then I'll let you break it again and again
Three little words, it's all that I've got
Three little words, like it or not
Tell me you notice
Tell me you heard
For you I'd have run the the ends of the Earth
I couldn't keep you
But I'll keep my word

It's the most beautiful pain in the world
I love how it hurts
I've been losing my mind
I pretend that it's fine
Trying to keep it together
While I crumble inside
You got a friend at the end of the line
Give me a moment, give me a chance
I'm lost in the hurt, I'm caught in the past

Give me a moment, give me the past
Give me the hurt, I know it can last
Tell me you notice
Tell me you heard
For you I'd have run to the ends of the Earth
I couldn't keep you
But I'll keep my word
It's the most beautiful pain in the world
I love how it hurts
I love how it hurts
I love how it hurts
I love how it hurts
I love how it hurts
I love how it hurts
I love how it hurts
I love how it hurts
I love how it hurts
This is my journey, this ain't the end
I'm waiting here 'til I see you again
