My Heart Move On

Chris Cagle

I took all my pictures of you and I
Threw them all away
I drank down that bottle of wine that we
Swore we would save
For some special occasion
Some big moment
Somewhere down the line
'Cause tonight I'm celebrating
The first day of the rest of my life
Like a storm, like a train
Like the seasons when they change
Like the dark of night
Does every day at dawn
Like the air that I breathe
After it rolls out of me
It goes off to find another home
My heart move on
I put a for sale sign on my car
And I parked it outside
'Cause that backseat reminds me
Of our very first time
And I don't need any memories
Hanging around this old place

Stirring up that stuff in me
That will only get in my way
Like a storm, like a train
Like the seasons when they change
Like the dark of night
Does every day at dawn
Like the air that I breathe
After it rolls out of me
It goes off to find another home
My heart move on
Like the years, like the past
Once it's gone it don't come back
Just like you when I woke up
And you were gone
Like the air that I breathe

After it rolls out of me
It goes off to find another home
My heart move on, my heart move on
My heart move on
My heart move on
My heart move on
My heart move on
