

# It's True

## The Shondells

In your heart you know it's true  
Though you hold no expectation  
In the deepest part of you  
There's an open hesitation  
But it's true, kingdoms and crowns  
A God who came down to find you  
It's true angels on high  
Sing through the night, Alleluia  
Heard it told you, think it's odd  
The whole thing fraught with complication  
The play begins with Baby God  
And all His blessed implications  
But it's true, kingdoms and crowns  
A God who came down to find you

It's true angels on high  
Sing through the night, Alleluia, Alleluia, Alleluia  
But it's true, kingdoms and crowns  
A God who came down to find you  
It's true angels on high  
Sing through the night, Alleluia  
But it's true, kingdoms and crowns  
A God who came down to find you  
It's true, oh, angels on high  
Sing through the night, Alleluia  
In your heart you know it's true  
In the deepest part of you  
It's true, it's true
