

# Sweet Potato Pie

## Alabama

Oh lord I feel fine today  
I'm walking on cloud nine today  
I'm over that line today  
Happiness is finally mine today I guess I'm just a lucky guy  
And I'm prepared to tell you why  
It's strictly on account of my  
Sweet potato pie I'm the fellow that she loves the most  
The main reason why she left the coast  
She's my little girlzi
