

Drunks

JOHNNYSWIM

[Verse 1]

I wanna write a song the drunks all sing
And the sober sing along
This foreign wedding ring
This suddenly feels strong
I wanna hear what the angels played
When they walked my daddy home
I wanna write a song the drunks all sing
And I hope you sing along[Chorus]
Raise your glass and sing along
Raise your glass[Verse 2]
I wanna learn what David played
When he found himself alone
Let it rain, let it rain on every street and state
'Til the loneliest feel numb
A melody my mama holds
And I forgotten how it goes
I wanna sing what David sang
Oh, won't you sing along?[Chorus]
Raise your glass and sing along[Bridge]
And if the walls of Jericho
Could crash on down for just a tune
I bet our walls could fall also
Even if only me and you sing
If the walls of Jericho
Could crash on down for just a tune
I bet our walls could fall also
Even if only me and you sing
Even if only me and you sing[Chorus]
This is our song
For our sons and daughters
Raise your glass and sing along
This is our song, this is our song, this is our song, this is our song
A song the drunks all sing
Oh, raise your glass and sing along
I wanna write a song the drunks all sing
And sobers sing along
A song for you and me
This is our song

This is our song
 This is our song[Outro]
What are we giving to our sons and daughters?
 What are we giving when we loving
What are we giving to our sons and daughters?
 If we can't love them, we ain't learning
What are we giving to our sons and daughters?
 What are we giving when we loving
 What are we giving, what are we giving?
