

# Pop A Top

Alan Jackson

Pop a top again  
I just got time for one more round  
Sit em up my friends  
Then I'll be gone  
Then you can let some other fool sit down I'd like for you'd to listen to a joke I heard today  
From a woman who said she was through and calmly walked away  
I'd tried to smile and did a while it felt so outta place  
Did you ever hear of a clown with tears drops streamming down his face. Pop a top again  
I think I'll have another round  
Sit em up my friend  
Then I'll be gone and you can let some other fool sit down. Home for me is misery and here I am wasting time  
Cause a row of fools on a row of stools is not what's on my mind  
But then you see her leaving me it's not what I prefer  
So it's either here just drinking beer or at home remembering her.
