

# Strangers In the Night

[Glen Washington](#)

Strangers in the night exchanging glances  
Wondering in the night  
What were the chances we'd be sharing love  
Before the night was through Something in your eyes was so inviting  
Something in your smile was so exciting  
Something in my heart told me I must have you Strangers in the night, two lonely people  
We were strangers in the night  
Up to the moment when we said our first hello Little did we know  
Love was just a glance away  
A warm embracing dance away And ever since that night we've been together  
Lovers at first sight, in love forever  
It turned out so right for strangers in the night Love was just a glance away  
A warm embracing dance away Ever since that night we've been together  
Lovers at first sight, in love forever  
It turned out so right for strangers in the night
