Sister Winter

Tracey Thorn

Oh, my friends, I've begun to worry right
Where I should be grateful, I should be satisfied
Oh, my heart, I would clap and dance in place
With my friends I have so much pleasure to embraceBut my heart is returned to sister winter
But my heart is as cold as iceOh, my thoughts, I return to summer time
When I kissed your ankle, I kissed you through the night
All my gifts I gave everything to you
Your strange imagination, you threw it all away
Now my heart is returned to sister winter
Now my heart is as cold as ice
All my friends I've returned to sister winter
All my friends, I apologize, apologizeAll my friends I've returned to sister winter
All my friends, I apologize, apologizeAnd my friends I've returned to wish you all the best
And my friends I've returned to wish you all the best
And my friends I've returned to wish you all the best
And my friends I've returned to wish you a happy Christmas
To wish you a happy Christmas
To wish you a happy Christmas
To wish you a happy Christmas
To wish you a happy Christmas
