Solitude is Bliss

Tame Impala

Cracks in the pavement underneath my shoe
I care less and less about and less about you
No one else around to look at me
So I can look at my shadow as much as I pleaseAll the kicks that I can't compare to
Making friends like they're all supposed toYou will never come close to how I feel (x2)Space around me where my soul can breathe
I've got body that my mind can leave
Nothing else matters, I don't care what I miss
Company's okay
Solitude is blissThere's a party in my head and no one is invitedAnd you will never come close to how I feel (x2)Movement doesn't flow
Quite like it does when I'm alone
I'll be the one who's free
You and all your friends
Can watch me, todayDon't ask me how you're supposed to feelYou will never come close to how I feel (x4 fade out)
