Very Ape

Nirvana

I am buried up to my neck in Contradictionary flies I take pride as the king of illiterature I'm very ape and very niceIf you ever need anything please don't Hesitate to ask someone else first I'm too busy acting like I'm not naive I've seen it all, I was here firstOut of the ground Into the sky Out of the sky Into the dirtIf you ever need anything please don't Hesitate to ask someone else first I'm too busy acting like I'm not naive I've seen it all, I was here firstOut of the ground Into the sky Out of the sky Into the groundOut of the ground Into the sky Out of the sky Into the dirt
