

# Somebody Great

## Alkaline

Day and day me a lose offa humans Yuh nuh.

No, big man thing.

Me a pree fi guh move to a different planet or sumn.

Big man thing. Me lose offa the earth, straight.

Them nuh, them nuh rate people like them use to.

Me a tell Yuh. They don't love me now like they use to do. And we don't really talk like we use to do.

They don't love me now like they use to do, like they use to do, like they use to do. (Rept 1). Jump out a bed in a whole different place.

Price Yuh affi pay fi be somebody great.

Everybody wan sumn, complaints pan complaints. Price Yuh affi pay fi be somebody great.

Have me big house a yard and live out a suitcase. Price Yuh affi pay fi be somebody great.

Affi laugh up wid some people weh me nuh rate.

Price Yuh affi pay fi be somebody great.

Affi laugh up wid some people weh me nuh rate. Price Yuh affi pay fi be somebody great.

They don't love me now like they use to do. And we don't really talk like we use to do.

They don't love me now like they use to do, like they use to do, like they use to do. (Rept 1). Just chat to Shabba seh him love how me a deal wid the place.

Seh a said way them use to fight him ina eighty seven eighty eight.

Him seh gwan do yuh thing youth and nuh listen weh nobody seh straight.

If Yuh Neva mek the sound them a hear gwan dweet.

Dancehall is a heavy weight. Suppose me Neva buss, some artist still wouldn't have them space.

Them wouldn't a complain. Them wouldn't have time fi hate.

Some a them wouldn't even have time fi guh party every night straight.

Wouldn't a cuss and seh them get unda rate.

Wouldn't haffi bleach pan panta fi dub plate.

Me might retire a likkle late.

Every man wan be the man.

Man just wan be great.

Me see two dates a get shorter.

Me see egos a get smaller.

Ha. Neva see smoke without fire.

Everybody a beg friend, a look strength from each other.

Cyan tell when last me see me mada.

Long fi reason wid fada.

Them back to back flight ya. Every week a get to me now, cyan tell when last me see me yard.

They don't love me now like they use to do. And we don't really talk like we use to do.

They don't love me now like they use to do, like they use to do, like they use to do. (Rept 1). Jump out a bed in a whole different time.

Left Jamaica afta 12, land Ina Europe afta 9. The time of badmind.

The time of hipocrites, Yuh get pree fi speak yuh mind. The time, the time.  
When loyalty is just fi a time.  
When mankind bad and naive.  
All a them rollex ya and me still feel like me nuh have no time.  
Me start stay more to me self now.  
Me stop tek care a me health now.  
Who else me a guh help now. Who me a guh gi a strength. Who a guh remind me why me me nuh gi no strength  
now.  
Honestly, me nuh too trust people suh much.  
Honestly, them get comfortable when them feel them know you too much.  
Oh honestly, me feel me too real.  
Honesty too much.  
Them gi we five minutes of fame, that was to much.  
Come in by the teaspoon, come out wid a cup full up. They don't love me now like they use to do. And we don't  
really talk like we use to do.  
They don't love me now like they use to do, like they use to do, like they use to do. (Rept 1). Day and day me a  
lose offa humans Yuh nuh.  
Jah know.  
A pree fi guh move to a different planet or sumn.
