Flower

Eels

Turn the ugly light off God wanna feel the night Everyday it shines down on me don't you think that I see Don't you think that I see what it's all about Hard to look the other way while the world passes me by And everyone is trying to bum me outIt's a pretty big world God and I am awful small Everyday they rain down on me flower in a hailstorm Flower in a hailstorm and I'm living for the drought I could throw it back at them but then I play their game Everyone is trying to bum me outWhen I came into this world they slapped me And everyday since then I'm slapped again Tomorrow's king, an unsightly coward You see, I know I'm gonna winTurn the ugly light off God don't wanna see my face Everyday it will betray me don't you think that I know Don't you think that I know what they're talking about If they step on me tonight they're gonna pay someday Everyone is trying to bum me out
