Nothing Without You

The Weeknd

[Verse 1]
I realized, I belong to you
I feel the darkness, I run away from you
Hey, don't stop your lovin', walk out on me
Don't stop for nothin', you're what I bleed
I learned to love you, the way you need
'Cause I know what's pain, this is not the same[Chorus]
I'd be nothing', nothing', nothing', nothing' without you
I'd be nothing', nothing', nothing', nothing' without you
I'd be nothing', nothing', nothing', nothing' without you
I'd be nothing', nothing', nothing', nothing' without you
I was too busy tryna find you with someone else
The one I could've fled, to be with by myself
'Cause I'd be nothing', nothing', nothing', nothing' without you[Verse 2]
Pick up your phone, I got a question, oh
If I die tonight, would you regret it?
Don't stop your lovin', it's all I have
'Cause I can't function, no I won't last
I swear I'll love you just like the past
'Cause I know what's pain, this is not the same[Chorus]
I'd be nothing', nothing', nothing', nothing' without you
I'd be nothing', nothing', nothing', nothing' without you
I'd be nothing', nothing', nothing', nothing' without you
I'd be nothing', nothing', nothing', nothing' without you
I was too busy tryna find you with someone else
The one I could've fled, to be with by myself
'Cause I'd be nothing', nothing', nothing', nothing' without you
