

# I Feel Like Screaming

## Infernal

I bet my love you  
That I can't deny  
That that could be such a mistake  
Never crossed my mind  
Such a surprise to me  
You switching sides  
I don't know quite how to respond  
To your change of mind  
Should I feel guilty?  
Should it console me?  
I feel like screaming  
Oh, oh, oh  
I'm hurt and I'm reeling

Can't you take away this feeling?  
Stop! Why are you walking away?  
I don't wanna feel like screaming  
Oh, oh, oh  
I'm shocked and I'm reeling  
Won't you take away this feeling?  
Why is it then you suddenly adore?  
I scowl across the room  
I see you smile  
I can't believe that I thought  
It was metro-groom  
I didn't know and now I feel so vile  
I feel like screaming...
