

# Single Girl, Married Girl

**Bill Frisell**

Well, the single girl, yeah, the single girl  
The single girl, she always dresses so fine  
She dresses so fine  
She always dresses so fine But the married girl, oh, the married girl  
The married girl, she wears just any old kind  
Just any old kind  
Oh, she wears just any old kind Well, the single girl, yeah, the single girl  
The single girl, she goes anywhere she please  
Goes where she please  
Oh, she goes anywhere she please  
But the married girl, yeah, the married girl  
She got a baby on her knees, baby on her knees  
Oh, she got a baby on her knees  
Baby on her knees
