Burn one down (live)

Ben Harper

Let us burn one
From end to end
And pass it over
To me my friend
Burn it long, we'll burn it slow
To light me up before I goIf you don't like my fire
Then don't come around
'Cause I'm gonna burn one down
Yes I'm gonna burn one downMy choice is what I choose to do
And if I'm causing no harm
It shouldn't bother you
Your choice is who you choose to be
And if your causin' no harm
Then you're alright with meIf you don't like my fire
Then don't come around
'Cause I'm gonna burn one down
Yes I'm gonna burn one downHerb the gift from the earth
And what's from the earth
Is of the greatest worth
So before you knock it try it first
You'll see it's a blessing
And it's not a curseIf you don't like my fire
Then don't come around
'Cause I'm gonna burn one down
Yes I'm gonna burn one, uh
