

Standing On Higher Ground

[Alan Parsons](#)

(lead vocal - geoff barradale) I know the truth

But i can't say

And i have to turn my head

And look the other way I'm not afraid

And i won't lie

As long as i see no wrong

I won't need to testify I see the world

And i'm looking from a high place

Way above it all

Standing on higher ground I breathe the air

While they're running in a rat race

Way above it all

Standing on higher ground I feel the blow

But i don't speak

And i have to close my eyes

Pretending i'm asleep Well i see the tears

But i don't cry

As long as i do no wrong

I don't need an alibi I see the world

And i'm looking from a high place

Way above it all

Standing on higher ground I breathe the air

While they're running in a rat race

Way above it all

Standing on higher ground
