Check Please

Haley Reinhart

I watch you look at your reflection
On the night you're so pretentious
How do you look, my love?A silly boy with a poison smile
It was fun just for a while
How do you look, my love?As I'm running for the door
I gotta sayHey!
I thought you were the one
but this happiness is gone
Wish I could bite my tongue
You never get me
I can't just play along
What was sweet is now so wrong,
Watching the tables turn
I'll take the check pleaseOooh, I gotta gotta get out now
Oooh, I gotta gotta get out now
Oooh, I gotta get out now
Gotta get out nowOur future's looking grim now
See the lights are getting dimp now
How do we look, my love?Ooh, I've got too much on my plate now
And I need some stimulation
How do we look, my love?As I'm running for the door
I gotta say
Hey!
I thought you were the one
but this happiness is gone
Wish I could bite my tongue
You never get meI can't just play along
What was sweet is now so wrong,
Watching the tables turn
I'll take the check pleaseOooh, I gotta gotta get out now
Oooh, I gotta gotta get out now
Oooh, I gotta get out now
Gotta get out nowOooh, I gotta gotta get out now
Oooh, I gotta gotta get out now
Oooh, I gotta get out now
Gotta get out nowI bet you don't even know
All the things that you've done, dude
You're being stupid, you're dumb
It's like I don't even know youI bet you don't even know

All the things that you've done, dude
You're being stupid, you're dumb
It's like I don't even know youAs I'm running for the door
I gotta sayHey!
I thought you were the one
but this happiness is gone
Wish I could bite my tongue
You never get meI can't just play along
What was sweet is now so wrong,
Watching the tables turn
I'll take the check please.
