

# Simple Love Song

Ringo Starr

Oh my, I'm riding so high  
I keep telling myself that you love me  
Oh my, I'm up in the sky  
But I still see you so far above me Cheap thrills, well, I've had my fill  
They just empty your heart and your pocket  
Ooh wee, well, it's good to be  
Riding your love like a rocket Well, I hope you understand  
But now I'm just a one woman man  
Before the sun goes down  
Oh, I wanna see you  
Oh, I wanna see you again right now I still wonder how  
I keep asking myself am I dreaming?  
We two, it's just me and you  
You have given this song a new meaning Well, I hope you understand  
But now I'm just a one woman man  
Before the sun goes down  
Oh, I wanna see you  
Oh, I wanna see you again right now It's a simple love song  
It's a simple love song  
Simple love song  
Simple love song We two, it's just me and you  
Keep on wearing my love like a locket  
Sweet thing, well, I buy a new ring  
If that's what it takes, then you got it It's a simple love song  
It's a simple love song  
It's a simple love song
