Autumn Changes

Donna Summer

This love of ours
Is gradually fading
Something is wrong
Or somebody's faking
Autumn changes
Shifting phases
Autumn changes
Turning stages
Surely something
Can help to patch it up
Too many nights
Sitting here waiting
Too many days
Hoping and praying
Autumn changes
Shifting phases
Autumn changes
Turning stages
Surely something
Can help to patch it up
Oh yes, we can
Oh, sure we can
Oh, sure we can
Oh, sure we can
Oh, sure we can
Oh yes, we can
Oh, sure we can
Oh yes, we can
Something inside
It seems to be dying
Most of the time

I just feel like crying
Autumn changes
Shifting phases
Autumn changes
Turning stages
Surely something
Can help to patch it up

Surely this love
Must we be worth saving
Don't let it die
Think what you're doing
Autumn changes
Shifting phases
Autumn changes
Turning stages
Surely something
Can help to patch it up
Autumn changes
Shifting phases
Autumn changes
Turning stages
Oh yes, we can
Oh, no we can
Oh, yes we can
Oh, no we can
Oh, yes
Baby, we can
Oh yes, we can
Oh, no we can
