Everything Must Change (Feat. Bebe Winans)

Quincy Jones

Everything must change
Nothing stays the same
Everyone must change
No one stays the sameThe young become the old
And mysteries do unfold
Cause that's the way of time
Nothing and no one goes unchangedThere are not many things in life
You can be sure of
Except rain comes from the clouds
Sun lights up the sky
And hummingbirds do flyWinter turns to spring
A wounded heart will heal
But never much too soon
Yes everything must changeThe young become the old
And mysteries do unfold
Cause that's the way of time
Nothing and no one goes unchangedThere are not many things in life
You can be sure of
Except rain comes from the clouds
Sun lights up the sky
And butterflies do flyRain comes from the clouds
Sun lights up the sky
And music
And music
Makes me cry
