

# Effin'

## Plumtree

He spoke to me in this morning  
To shut my ears up to you  
Don't think I meant to  
but it happens anyway

Is just heaven that I  
fall into each time I see you?  
Don't think I meant to  
but it happens anyway

(Well) Don't try to change things  
'cause that's the way it's gonna be (yeah)  
Solitary is all I am  
Probably forever

Don't try to change things  
'cause that's the way it's gonna be (yeah)  
Solitary is all I am  
Probably forever (yeah)

He's been here all my life  
I shouldn't treat you like I do  
I don't mean to hurt you  
but it happens anyway

He seems to break and start again  
besides what word I say  
I don't mean to hurt you  
but it happens anyway

(Well) Don't try to change things  
'cause that's the way it's gonna be (yeah)  
Solitary is all I am  
Probably forever

Don't try to change things  
'cause that's the way it's gonna be (yeah)  
Solitary is all I am  
Probably ... probably forever
