Blues Man

Uncle Kracker

Hey whatchu tryin? to do?
Why you tryin? to see through me baby
It?s way too hazy
Hey I?m still feelin? the same
So don?t go tryin? to change me baby
You can?t save me
So many people try to bring me down
They wouldn?t last a second in my town
Hey I?ve always been a blues man
Hey a little rhythmic blues man
Don?t try walkin? inside my shoes
Unless you?re puttin? up somethin? to lose
I said, "Hey I?ve always been a blues man
Hey a little rhythmic blues man
Don?t try walkin? inside my shoes tonight"
You stem so far from the truth
You hide inside all your talkin? papers
Flashin? statements
You never put your money down
And watched the big wheel go around and take it
Or end up naked
All you do is follow me around

Then you go ahead and ride it down
Hey I?ve always been a blues man
Hey a little rhythmic blues man
Don?t try walkin? inside my shoes
Unless you?re puttin? up somethin? to lose
I said, "Hey I?ve always been a blues man
Hey a little rhythmic blues man
Don?t try walkin? inside my shoes tonight"
Don?t try walkin? inside my shoes
Unless you?re puttin? up somethin? to lose
I said, "Don?t try walkin? inside my shoes" Baby, baby
I said, "Hey I?ve always been a blues man
Hey a little rhythmic blues man
Don?t try walkin? inside my shoes
Unless your puttin? up somethin? to lose"
I said, "Hey I?ve always been a blues man

Hey a little rhythmic blues man
Don?t try walkin? inside my shoes
Unless your, unless your, unless your"
Hey I?ve always been a blues man
Hey a little rhythmic blues man
Don?t try walkin? inside my shoes tonight
