I Remember (Painted Palms Remix)

Yeasayer

I remember making love on a Sunday
Like throwing hearts in a fresh cut grass in May, whoa
I remember making out on the airplane
Still afraid of flying but with you I'd die today, whoaI remember the smell of your skin forever
Love us being stupid together, whoaYou're stuck in my mind all the time
You're stuck in my mind all the time
You're stuck in my mind all the timeI remember Monday making our lives gray
Still don't know what it is that I said, whoa
I remember thinking this would never end
Even when you're gone
Your eyes running through my head, whoa
