

# Liberal Mediocrity

## Mortification

Liberal mediocrity  
Taking from the word is a disgrace  
Politically correct  
Tickle the ears and kill the faith  
Rightly divide the word of truth  
Profit for doctrine and reproof  
Rightly divide the word of truth  
Understand scripture and its use, yeah  
Liberal mediocrity  
Modernistic tainted by the world  
Politically correct  
Tickle the ears and kill the faith  
Rightly divide the word of truth  
Profit for doctrine and reproof  
Rightly divide the word of truth  
Understand scripture and its use  
Read it, live it  
The Lord is coming for a spotless church  
Repentant, forgiven  
Not deceived by words of man  
Rightly divide the word of truth  
Profit for doctrine and reproof  
Rightly divide the word of truth  
Understand scripture and its use  
Rightly divide the word of truth  
Profit for doctrine and reproof  
Rightly divide the word of truth  
Understand scripture and its use
