

# Put Your Graffiti On Me

Kat Graham

(Verse 1)

Denim jean jacket, pink chucks  
And a mini skirt  
Be your bad habit  
Throw me up against the wall first  
I take advantage of you  
You take advantage of me  
Drink up this bottle of yeah  
And paint your body on me  
Put Your Graffiti On Me  
Put Your Graffiti On Me  
Put Your Graffiti On Me

Put your name on it put you put your name on it

(Verse 2)

Cotton candy. lollipop  
Sticky like a post-it  
You don't need to drum my heart  
You already own it  
I take advantage of you  
You take advantage of me  
Drink up this bottle of yeah  
And paint your body on me  
Put Your Graffiti On Me

[Bridge]

You treat me like concrete under your feet  
I'll be your callus incomplete

Your baby doll, your ally-wall
