

# Indifferent

## Adrenaline Mob

Looking back on my life  
It doesn't seem to be very clear  
When I've lost my fear  
I've lived my life  
I've taken my chances  
Staring down my reflection  
Sometimes, I feel like I've lost my mind  
It's a waste of time  
I'm asking you  
but I never get an answer  
I'm falling in  
I'm falling out  
I'm walking the straight and narrow.  
I'm falling in  
and I'm falling right out  
I'm breaking down again

### CHORUS

I never thought you'd hear me say:  
"I'm better now, so I don't need your sympathy"  
So taking this life day by day  
I'll be indifferent  
Indifferent

I never thought you'd hear me say:  
"I'm better now, no, I'm nobody's tragedy"  
I'm taking this life day by day  
to be indifferent  
I'm indifferent

As I turn to look to the future  
I see my life in a different way  
It's a brand new day  
A stretch of road  
Unscathed I'm taking  
The only thing on my mind  
Is leaving this place so far behind  
'Cause it's my time  
I'll find a better way  
To keep myself from breaking  
I'm falling in  
I'm falling out

I'm walking the straight and narrow.

I'm falling in  
and I'm falling right out  
I'm breaking down again

CHORUS

I never thought you'd hear me say:  
"I'm better now, so I don't need your sympathy"  
So taking this life day by day  
I'll be indifferent  
Indifferent

I never thought you'd hear me say:  
"I'm better now, no, I'm nobody's tragedy"  
I'm taking this life day by day  
to be indifferent  
I'm indifferent

INSTRUMENTAL

CHORUS

I never thought you'd hear me say:  
"I'm better now, so I don't need your sympathy"  
So taking this life day by day  
I'll be indifferent  
Indifferent

I never thought you'd hear me say:  
"I'm better now, no, I'm nobody's tragedy"  
I'm taking this life day by day  
to be indifferent  
I'm indifferent  
I'M! Indifferent!  
Oh-OHOH!  
I'M! Indifferent!
