2 Step

Clyde Carson

4, 3, 2-2-2
A 2 step, a 2 step
Now gon? an? 2 step, now gon? an? 2 step
Now gon? an? 2 step, now gon? an? 2 step
Now get jiggy wit it, now get jiggy wit it
Now get jiggy wit it, now get jiggy wit it
Now gon? an? 2 step, ay watch me 2 step
Now can you 2 step like I 2 step?
Watch me get jiggy wit it, watch me get jiggy wit it
Watch me get jiggy wit it, watch me get jiggy wit it
Gon? an? 2 step!
I hit the club fresh my stunna shades on
2 steppin? gettin' jiggy wit my J's on
Don?t get yo' steps wrong don?t try to bite mine
2 steppin?, yeah I?m back, Unk one mo' time
See we gon? form a line and we gon? step it right
Now step it to the left, girl you know you dynamite
Now have some good times, I see you got it right
Beat my wrist ice colder than a Bud Light
Now I?ma take my time, where the gangstas at?
And you can still post the wall, ***** holla back
Grey Goose and yak, ***** filled wit kush
I?m getting jiggy wit it smokin? on that George Bush
Step!
