It Could Happen to You

Chet Baker

Hide your heart from sighs
Lock your dreams at night
It could happen to you
Don't count stars or you might stumble
Someone drops a sigh and down you tumble.

Keep an eye on spring
Run when church bells ring
It could happen to you
All I did was wonder
How your arms would be
And it happened to me.

(scat chorus)

Keep an eye on spring
Run when church bells ring
It could happen to you
All I did was wonder
How your arms would be
And it happened to me.
