Complicated (Instrumental)

Collide

Whirling
Twirling
Inbetween
You're blurring
Your words
And you're very complicated
Dream I'm addicted to you
Whatever
Put you back where you belong
Dream
And your very misleadingAll your words are complicated
Turning around and inbetween
Whirling twirling
Lines are gone
Find a place where you believeWhatever
Whatever you mean
Turn
And you trun yourself around
Put you back where you belong I'm addicted to youAll your words are complicated
Turning around and inbetween
Whirling twirling
Lines are gone
Find a place where you believe
Complicated Inbetween
Complicated Lines are gone
All your words are complicated
Turning around and inbetween
