Evil Man

The Answer

Saw my smile as she turned around
Thought she lost something I had found
I said believe we're both the same
She said honey I can't play that game
Either way I'm a loveless man
Either way she said, I'm an evil, manI took her home to my welcome bed
Asked me what it was she'd been fed
Got that hunger and she's got that fight
Left her lonely in morning lightLet everybody talk about me,
Everybody gonna talk about me
Everybody's talking about me, let them talkI'm an evil man (I am an evil man)
She'll never let me forget
I'm out to get what I can get (I am an evil man)
And I understand what she said
I should examine my headShe proclaimed that she did not choose
Looked like her reflections been misused
Heads been spinning and her body aches
Blame that pill she chose to takeNobody gonna' stand beside her
Nobody gonna' sympathize,
Nobody gonna sympathize now
SympathyI'm an evil man (I am an evil man)
She'll never let me forget
I'm out to get what I can get (I am an evil man)
I understand what she said
I'm and evil man, I am evilOoh ooh
Ooh oohGot that hunger do you, got that hunger do you
Got that hunger do you
Got that hungerI'm an evil man (I am an evil man)
She'll never let me forget
I'm out to get what I can get (I am an evil man)
And I understand what she says
I am evil (I am an evil man)
There's so much going on in my head
She just cannot comprehend (I am an evil man)
And I understand what she says
I'm an evil man
I am evil
