

# Hypnotize The Moon

Clay Walker

She knew she caught my eye  
And that was all it took  
Ain't it strange how forever changed  
With just one look The magic filled the night  
She touched my soul like no one else  
Yes, the way that woman made me feel  
Left me talking to my self  
Oh, Oh You better run for cover  
You better hide your heart  
'Cause once you start to love her  
You know you'll never stop  
She shines like a diamond  
When she walks into a room  
She can charm the stars  
Hypnotize the moon Once i held her close  
I knew just where i stood  
No, you never get a second chance  
To ever feel so good Then and there I knew  
These words were etched in stone  
If you can't feel the power of  
The greatest love you've known You better run for cover  
You better hide your heart  
'Cause once you start to love her  
You know you'll never stop  
She shines like a diamond  
When she walks into a room  
She can charm the stars  
Hypnotize the moon
