

# Brave (OST The Sims 3)

Kelis

I'm not ashamed of winning  
But it wasn't that way in the beginning  
It was this way  
It was kiss me  
Come kick me and diss me  
I had to give it up  
Now it's a way different feeling  
You took my soul I had to steer it back  
Now it's this way  
Now it's with me  
No mistake just listen  
I had to give up All of this pain you had given  
It's just a reminder of livin'  
It was crazy, had a baby  
He's amazin', he saved me  
And this time it's just us  
You raised up, I can say that  
I was too young, I'll never get that back Now it's this way  
Now it's flipped babe  
I'm happy, just listen  
I had to give it up I was super cool  
But now I'm super strong  
I had nothing to loose  
But I was super wrong  
It was the circumstance  
I got the power from  
I was super tough  
But now I'm super strong  
Super strong I'm a braveheart  
I'm a braveheart  
I'm a braveheart  
So come and play my purple heart  
Come and play my purple heart  
Come and play my purple heart  
I didn't run I was super cool  
But now I'm super strong  
I had nothing to loose  
But I was super wrong  
It was the circumstance

I got the power from  
I was super tough  
But now I'm super strong  
Super strong I was super cool  
But now I'm super strong  
I had nothing to loose  
But I was super wrong  
It was the circumstance  
I got the power from  
I was super tough  
But now I'm super strong  
Super strong
