

Don't Lie

KIDZ BOP Kids

Yeah

Uh huh

La da da da da Sorry sorry sorry sorry

Hey, baby my nose is getting big

I noticed it be growing when I been telling them fibs

Now you say your trust's gettin' weaker

Probably 'cos my lies just started gettin' deeper

And the reason for my confession is that I learn my lesson

And I really think you have to know the truth

Because I lied and I cheated and I lied a little more

But after I did it I don't know what I did it for

I admit that I have been a little immature

Fucking with your heart like I was the pre-da-tor

In my book of lies I was the editor

And the author

I forged my signature

And now I apologize for what I did to ya

'Cause what you did to me I did to you Nononono baby, nononono don't lie

Nononono, yeah you kno kno kno know you gotta try

What you gonna do when it all comes out

When I see you and what you're all about

Nonono babe, nononono don't lie

Yeah you kno kno kno know you gotta try She said I'm leaving

'Cause she can't take the pain

It's hard to continue this love it ain't the same

Can't forget the things that I've done inside her brain

Too many lies committed too many games

She feeling like a fool getting on the last train

Tryin' to maintain but the feeling won't change

I'm sorry for the things that I've done and what I became

Caught up in living my life in the fast lane

Blinded by lights, cameras, you know the fame

I don't know the reason why I did these things And I lie and I lie

And I lie and I lie And now our emotions are drained

'Cause I lie and I lie and a little lie lie

And now your emotions are drained Nononono baby, nononono don't lie

Nononono, yeah you kno kno kno know you gotta try

What you gonna do when it all comes out

When I see you and what you're all about

Nonono babe, nononono don't lie
Yeah you kno kno kno know you gotta tryOoh ooh ooh ooh, ooh ooh ooh
Ba da ba da ba da ba da badabadaYo, I'm lying to my girl
Even though I love her
And she all in my world
I give her all my attention and diamonds & pearls
She's the one who makes me feel on top of the world
Still I lie to my girl, I do itAnd I lie and I lie and I lie 'til there's no turning back
I don't know why, and I lie and I lie 'til I don't know who I amNononono baby, nononono don't lie
Nononono, yeah you kno kno kno know you gotta try
What you gonna do when it all comes out
When I see you & what you're all about
Nonono babe, nononono don't lie
Yeah you kno kno kno know you gotta try
