

Ordinary Miracle

[Sarah McLachlan](#)

It's not that unusual
When everything is beautiful
It's just another ordinary miracle today The sky knows when it's time to snow
Don't need to teach a seed to grow
It's just another ordinary miracle today Life is like a gift they say
Wrapped up for you everyday
Open up and find a way
To give some of your own Isn't it remarkable
Like every time a raindrop falls
It's just another ordinary miracle today Birds in winter have their fling
Will always make it home by spring
It's just another ordinary miracle today When you wake up everyday
Please don't throw your dreams away
Hold them close to your heart
'Cause we're all a part of the ordinary miracle Ordinary miracle
Do you want to see a miracle? It seems so exceptional
The things just work out after all
It's just another ordinary miracle today Sun comes up and shines so bright
And disappears again at night
It's just another ordinary miracle today It's just another ordinary miracle today
