

# Endless Nights

## Sand Circles

I don't want to see the light of day  
I wont do nothin take my endless night away  
I don't want to see the light of day  
I wont nothin take my endless night away  
Its just one of those nights  
When You dont wanna be no where else in the world just you and your girl  
Its just one of those nights  
When all your problems just fly away it seems everythings gonna be okay  
Its just one of those nights  
Lets just ride away we got so much time to play  
Its just one of those nights  
Everytime I breathe in I feel these cold waves sort of sink in  
And the sky is so clean and so blue I wanna jump in  
Not quite too sure what it is but im thinking that I like it  
I feel a change in the gravity are my feet on the ground cuz Im feelin like im weightless  
Its so un-re-al  
Its so un-be-live-a-ble  
I wanna know if this moment is true  
Yes it is cuz youre feeling it too  
Its just one of those nights  
When You dont wanna be no where else in the world just you and your girl  
Its just one of those nights  
When all your problems just fly away it seems everythings gonna be okay  
Its just one of those nights  
Lets just ride away we got so much time to play  
Its just one of those nights  
I second guess everything I know cuz Ive never know things to be this good  
If I could stay in this place forever and ever I would if I could  
  
Im right here the fine line between my dreams and my realities  
A second feels like eternity and now I see my whole life with so much clarity  
Its so un-re-al  
Its so un-be-live-a-ble  
I wanna know if this moment is true  
Yes it is cuz youre feeling it too  
Its just one of those nights  
When You dont wanna be no where else in the world just you and your girl  
Its just one of those nights  
When all your problems just fly away it seems everythings gonna be okay

Its just one of those nights  
Lets just ride away we got so much time to play  
Its just one of those nights  
I don?t want to see the light of day  
I wont do nothing take my endless night away  
I don?t want to see the light of day  
I wont do nothing take my endless night away  
I don?t want to see the light of day  
I wont do nothing take my endless night away  
I don?t want to see the light of day  
I wont do nothing take my endless night away  
Its just one of those nights  
When You dont wanna be no where else in the world just you and your girl  
Its just one of those nights  
When all your problems just fly away it seems everythings gonna be okay  
Its just one of those nights  
Lets just ride away we got so much time to play  
Its just one of those nights
