

The Shaker

Against Me!

Foul play! There's a target on the audience.
We're vampires! We're only in it for the money.
Diluted! We took the movement to the market.
So fuck us! We totally sold out the scene. Excite me! Excite me! Nothing really excites me.
There's no connection at all. There's no connection at all.
Excite me! Excite me! Nothing really excites me.
There's no connection at all. No connection at all. Co-opted! There's vultures preying on the underground.
It's packaged! It's just fashioning rebellion.
Mainstream! It was better in the basement.
Lynch mob! Tar and feather the pretenders in the streets.
Excite me! Excite me! Nothing really excites me.
There's no connection at all. No connection at all.
Excite me! Excite me! Nothing really excites me.
There's no connection at all. No connection at all. Whoa, no!
Excite me! Excite me! No, it doesn't really excite me.
I'm feeling no connection at all. No connection at all.
There's no connection at all. Excite me! Excite me! Nothing really excites me.
There's no connection at all. There's no connection at all. No connection at all.
