This Is the Life

Sweet California

The fields in grey are waiting gold
The wilderness beside the road
A place on earth you won't let go
There'll be a train to bring you home

The break of day, the perfect sky
The summer lake, your playground times
I'll be your boots
I'll walk the miles
I'd love to bring you home

Do you believe what I say to you?
I'm happy to show you to
Be ready to smile and shout
This is the life!
-Here we go-

Do you believe what I say to you?
I'm happy to show you to
Be ready to smile and shout
This is the life!

Your city dream didn't turn out right
Here's where you give the best you have
Some dreams can be an easy climb
Come home, there's hope
Don't think it twice

We're waiting here with open arms
I'm going to fix your broken heart
There'll be a train to bring you home
I'd love to bring you home

Do you believe what I say to you?
I'm happy to show you to
Be ready to smile and shout
This is the life!
Here we go

Do you believe what I say to you?

I'm happy to show you to
Be ready to smile and shout
This is the life!

The moon now is up to you
There's nothing for you to lose
Let's turn everything around
We can break your walls
Up we go

Do you believe what I say to you?
I'm happy to show you to
Be ready to smile and shout
This is the life!
-Here we go-

Do you believe what I say to you?
I'm happy to show you to
Be ready to smile and shout
This is the life!
