Texas State Of Mind

Ian Gillan

Skipping stones
Down by the water
And you ain't doin'
Doin' what you shouldLiving so high
Rolling along
Times like these
How we gonna make it?Been driving for days
You on my mind
Three states away
From my Texas state of mindThe subject comes up
And you put it on ice
Yes, I'll have another
Ain't this the lifeBeen sipping rum
In the middle of the day
Out in the sun
Got it made the shadeLiving so high
Rolling along
Times like these
How we gonna make it?Been driving for days
You on my mind
Three states away
From my Texas state of mindAll I need is some peace of mind
All I need is a place to unwindLiving so high
Rolling along
Times like these
How we gonna make it?Been driving for days
You on my mind
Three states away
From my Texas state of mindAll I need is some peace of mind
All I need is a place to unwind
All I need is some sugar and love
All I need is you wrapped
Around me like a glove
