

Into White

Cat Stevens

I built my house from barley rice
Green pepper walls and water ice
Tables of paper wood, windows of light
And everything emptying into white
A simple garden with acres of sky
A brown haired dogmouse if one dropped by
Yellow Delanie would sleep well at night
With everything emptying into white
A sad blue eyed drummer rehearses outside
A black spider dancing on top of his eye
Red legged chicken stands ready to strike
And everything emptying into white
I built my house from barley rice
Green pepper walls and water ice
And everything emptying into white
