

Somebody

Bryan Adams

I've been lookin' for someoneÂ
Between the fire and the flame
We're all lookin' for something
To ease the painÂ Now who can you turn toÂ
When it's all black and whiteÂ
And the winners are losersÂ
You see it every nightÂ I need somebodyÂ
Somebody like youÂ
Everybody needs somebodyÂ
I need somebodyÂ
Hey what about youÂ
Everybody needs somebody, oh When you're out on the front lineÂ
And you're watchin' them fallÂ
It doesn't take long to realizeÂ
It ain't worth fightin' for, ohÂ I thought I saw the MadonnaÂ
When you walked in the roomÂ
Well your eyes were like diamondsÂ
And they cut right through, oh they cut right throughÂ I need somebodyÂ
Somebody like youÂ
Everybody needs somebody, oh yeahÂ
I need somebodyÂ
Hey what about youÂ
We all need somebody, heyÂ Another night, another lesson learnedÂ
It's the distance keeps us saneÂ
But when the silence leads to sorrow
We do it all again, all againÂ yeah I need somebody
Somebody like you
Everybody needs somebody, oh yeah
I need somebody
Oh what about you
Everybody needs somebody I need somebodyÂ
Somebody like you
Everybody needs somebody
Need somebody
I need somebody
Yeah what about you baby
We all need somebody
I need somebody
Everybody needs somebody

I need somebody (hey)
Everybody needs somebody
