Ice Cream Colours

Corinne Bailey Rae

Dancing at your apartment
Under electric lights
Sneaking out of this party
Running into the night

The sky is all crystal
Weâ€™re animate weâ€™re intimate weâ€™re wild
And right at this moment
I can see the past and future in your eyes

Oh why?
Anytime I feel this rush
Iâ€™m overwhelmed
Itâ€™s chemical
I donâ€™t know why
I donâ€™t know why
You make me dream in ice cream colours
Crystal waves
Through my brain

I donâ€™t know why
I donâ€™t know why

Laying out in the sunlight
Swimming in golden rays
Our day go by so slowly
But the nights spin fast
My senses ablaze

Iâ€™m making a collage
Iâ€™m taken with the posibilities
You pull me in closer
And happiness is burning like a neon dream

Oh why?
Anytime I feel this rush
Iâ€™m overwhelmed
Itâ€™s chemical
I donâ€™t know why
I donâ€™t know why

You make me dream in ice cream colours
Crystal waves
Through my brain

I donâ€™t know why
I donâ€™t know why

The distance Iâ€™ve travelled
The distance is immeasurable in time
But none of that matters
When I can see the past and future
In your eyes, oh why?

Anytime I feel this rush
Iâ€™m overwhelmed
Itâ€™s chemical
I donâ€™t know why
I donâ€™t know why
You make me dream in ice cream colours
Crystal waves
Through my brain

I donâ€™t know why
I donâ€™t know why
