

# A Dream

## Funker Vogt

it all started with a dream  
two months like eternity  
and in spite of all the problems  
it was the best time of my lifewe had promised ourselves  
that trust and friendship last forever  
but these two tiny things  
have already been too muchthe second dream came way too soon  
promising an early end  
but there was a second part  
maybe a chance for a new startthe first part is now fulfilled  
there wasn't anything I could do  
now I just do what I can  
to fulfill the second one
